## Reducing Home Fire Risk

- Is your home safe from fire?
- Do you have smoke alarms?
- Do you know what to do if a fire occurs in your home?

## Smoke Alarms

Every year Royal Berkshire Fire and Rescue Service is called out to approximately 500 fires in the home, of which 60 result in injury or death.

Smoke alarms are the first line of defence against fire. They are designed to detect fire in its early stages and can give you those precious few moments to get out safely.

### What to do in case of fire...

- Put your Fire Escape Plan into action immediately.
- Raise the alarm.
- Get everyone together, and
- Get out. Call the Fire Service out. Stay out.

Read on to find out how you can get a free home fire safety check and free smoke alarms.

## Free Home Fire Safety Check

Royal Berkshire Fire and Rescue Service (RBFRS) can provide a **free** home fire safety check, fit **free** smoke alarms where necessary, and give advice on the action to be taken in the event of fire and the points to consider when making a home fire escape plan.

To arrange your **free home fire safety check** complete the attached slip and post it to us, or use the phone or email contacts listed overleaf.

### What happens next?

RBFRS will contact you to arrange a convenient time to carry out your free home fire safety check.
