NEWBURY FIRE CREWS STAGE CAR WASH TO SUPPORT FAMILIES OF LOST WARWICKSHIRE COLLEAGUES

Firefighters from Newbury fire will be holding a car wash on Saturday (17 November) to raise money for the Warwickshire Firefighters Families Fund. The Fund has been established to provide support for the families of the four firefighters who died whilst fighting the warehouse fire at Atherstone on Stour on Friday 2 November. The Fund has already received donations of more than £65,000.

Firefighter Simon Denman, from Red Watch at Newbury, is one of the firefighters organising the car wash. He said:

“We just wanted to do something. Everyone at the station wanted to do something for the families of the firefighters who were killed. We hope that plenty of people will bring their cars along and help us raise as much money as possible for them.”

The car wash will run from 10am until 4pm at Newbury fire station in Hawthorn Road, Newbury. The majority of the proceeds will go to the Warwickshire Firefighters Families Fund with the rest going to the Fire Service National Benevolent Fund.
