HELP FIREFIGHTERS GET LATHERED FOR CHARITY.

Windsor firefighters are taking part in a National Car Wash on Saturday (13 September) for The Firefighters Charity (formerly the Fire Service National Benevolent Fund).

Watch Manager Wayne Barrett, of Red Watch at Windsor, said: "This event, which is happening at fire stations all over the country, is a good opportunity to do our bit in support of the Firefighters Charity.

"It does a brilliant job in helping injured firefighters with therapy and rehabilitation and also offers facilities to their families as well. We hope that members of the public will be as generous as ever in helping us to raise money for the charity by bringing their cars along for a good wash."

Windsor Fire Station is in St Mark's Road and the firefighters, together with families, friends and colleagues, will be washing away from 10am until 3pm and would be delighted to see you.

ENDS.
