

Fire Authority Members' Code of Conduct 2023 Consultation

Participation in this survey is voluntary and it is being conducted by our Consultations Team.

The survey is intended to be **anonymous**, and all efforts have been made to ensure anonymity.

The responses to the survey are collected and processed for the purpose of developing our Members' Code of Conduct and assessing the public response to our proposals.

Demographic information is collected so that we understand how effective our consultation is at reaching particular communities within Berkshire. This helps us meet our legal obligations under the Equality Act 2010 and comply with the Public Sector Equality Duty. The demographic questions are optional, and this information is not attributed to an individual.

(information collected, age group, disability or long-term health condition, ethnicity, religion or belief, gender, trans, and sexual orientation)

The anonymous aggregated data will be retained for a minimum period of two (2) years after the closure of the survey but may be kept longer if there is a business need.

If you have any questions about the survey please email the Consultations Team, consultations@rbfrs.co.uk.

We are using SurveyMonkey to administer this survey.

SurveyMonkey is a United States company and any personal data you provide may be stored in the United States and other locations where they have offices. For further information, please read the privacy notice available on the [SurveyMonkey website](#).
